

Designated Teachers' Network Meeting Spring 2018

WHAT?

Our termly meeting for Designated Teachers for Children looked After in all schools with a Somerset CLA on roll. This term our meeting is slightly different, being divided into two halves

The morning session will explore the role of Designated Teacher for those new to the role or for schools who have not had a CLA on roll previously or for Governors new to this area of responsibility. This is not a session for experienced Designated Teachers. (Please note, we had hoped to share the new requirements following the DfE revisions but these have not yet been released)

The afternoon session will take our usual shape, beginning with a sandwich lunch and this time focusing on:

1. Exclusions and Children looked After – How can we improve a difficult situation?
2. Preparing CLA for national assessment – Issues, strategies and resources
3. Quality Assuring Personal Education Plans (PEPs)
4. Shared planning for the summer term meeting

FOR WHOM?

The morning is only for those new to the role of Designated Teachers, DTs seeking to refresh their knowledge as the school is new to supporting CLA or governors new with CLA newly part of their responsibility. The afternoon is for an appropriate member of staff from any school with a Somerset CLA on roll.
