

## Careers Information & Guidance at your fingertips

We are thrilled to announce our collaboration with CareerChat UK to introduce an innovative career chatbot called 'CiCi' for people across Somerset.

- CiCi is a chatbot that supports personalised career exploration, instant access to current and relevant careers and jobs information in a single place
- CiCi offers informed and friendly careers information and help for those wanting to explore future career possibilities or looking for education and training courses
- CiCi can be translated into 40+ languages
- Includes Text-to-Speech technology.

**CiCi can be used on any device. Please scan the QR code below or visit:**

**<http://cicichat.uk/somerset>**

Features include:

- Engaging activities for jobs discovery
- Courses, T Levels & Apprenticeships
- Higher Education
- Job information and vacancies
- Career insights
- SEND Opportunities
- Volunteering
- CV and job application support
- Self-employment
